

We have had yet another unusual term with strikes, exams and a change in weather putting a class out of use for a whole month. This term saw the King's coronation, souvenir coins given to pupils by Councillor Rust, and a member of staff elected as a local councillor.

I'd like to say a special farewell to Anthony who joined us in June 2020, he has waited a long time for his "Forever school". In September The Rosebery welcomes a new Head of School, Mrs Julie Wilson, who transfers from her previous role at KES.

I'd like to take this opportunity to thank colleagues, parents and pupils for their support.

GOODBYE

I will always look back fondly on my time at The Rosebery. I have been very lucky to have worked with some amazing colleagues, families, and children.

The Rosebery is a very special place, and I am grateful for all I have learnt in my time here. I wish everyone at The Rosebery all the best for the future.

Best wishes, Mrs Daley

This term has seen most of the above students completing GCSE's or SATs.

It has been very stressful for the pupils, we are so proud that they completed their exams. It did mean that many more pupils were at home learning so we could give Year 11 the best possible chance. Thank you.

Many fun facts were researched about our new King- running his car on wine, eating half a dozen boiled eggs at 5pm each day, a distant relative to Count Dracula, being an author of a children's book, having a degree and his name consisting of several titles; Duke to three Counties, Prince, Baron and Earl.

September's Timetable

In September all pupils will be offered full hours. They may be on site, a combination of : on site and alternative provision or no on site provision (online plus alternative provision) . Your timetable may still be, being finalised,. I know many pupils have expressed an interest in work experience or alternative placements. We have submitted a further 16 requests to Catch 22 (both Norwich and King's Lynn) which we should have news of mid August.

We appreciate this will be a huge change, it is happening across Douglas Bader and Locksley in a bid to further engage pupils.

All changes will be communicated to you nearer the time. and transport will be in place.

Farewell and Thank you

To Mr Platt, Ms Beadle and Mrs Daley .

We are all very grateful for your efforts, resilience and dedication to The Rosebery School.

It will be very difficult to recruit for all these roles however we welcome

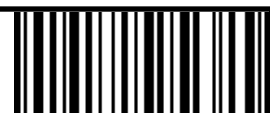

Ms Louw into the primary department in

September and Mr Byrne for PE/ICT
